We would like to introduce you to Passiontails, the most trusted and number one Slushie Machine and Jukebox/Karaoke party hire business in Australia.

Passiontails began in Perth Western Australia in October 2009 with a small amount of slushie machines later in that month we introduced the Party-Touch Jukebox and Karaoke music systems.

The business model together with the great products and interactive marketing has made Passiontails the successful business it is today.

Early in 2011 Passiontails started operations in Brisbane followed by the Gold Coast shortly later. In November 2011 Passiontails will enter the Melbourne market which is Australia's second largest capital city.

Passiontails is backed by quality manufactures and suppliers like RDR Distributors with their world class PartyTouch Music System and Companies like SBA Music for its first class music content.

Passiontails source the highest quality fruit based products to be used in all its Slushie /Cocktail hire packages. Our Passiontails branded fruit base Cocktail Mixes use the very best ingredients, which simply makes our product first class and stand out from the competitors.

Passiontails is a business based on delivering future technology with state-of-the-art interactive online tools and business management systems. The Passiontails Franchise system makes it easy for you to have total control of your business allowing you to grow your business with your own special touch.
